Dear Colleague

Childcare Vouchers – Changes in 2018

The Government has changed the way childcare vouchers will be applied from 1st April 2018. Further information can be found on how the scheme works at:

<https://www.gov.uk/expenses-and-benefits-childcare>

However, if people wish to join the existing scheme they will need to contact the company by 16th February 2018. Anyone already in the scheme can continue as normal.

Could Branches please ensure that members are informed of this change.

Attached to this LTB is the BT communications giving further details.

Any enquiries from Branches regarding this LTB should be referred to my office in the first instance.

Yours sincerely

Dave Jukes
